T/S Specialist

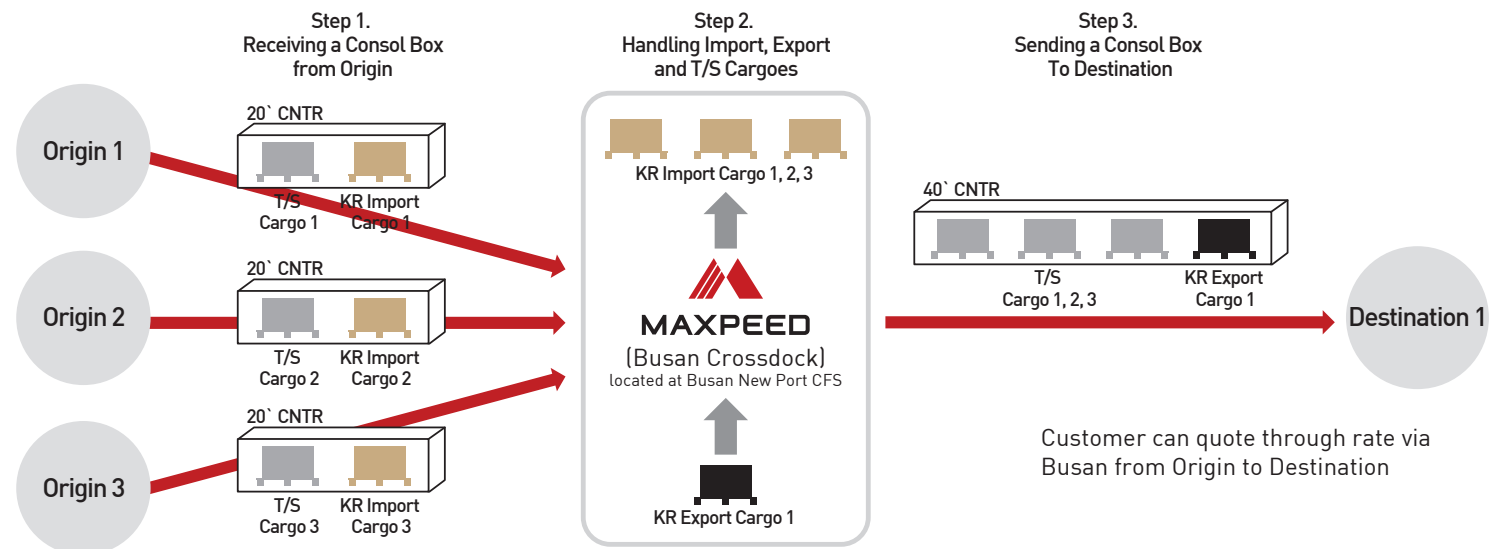

① SEA & AIR

Through its own Incheon Airport warehouse and Incheon Crossdock, it provides AIR & SEA transshipment logistics services and save price competitiveness and customer time.

② LCL transshipment

Busan Crossdock, a Maxpeed affiliate, is performing the representative LCL T/S Hub function in Northeast Asia by making the most of Busan Port's strengths.

**It is the sharing of the
Blue Scholarship,**
a great happiness that spreads
through small practice.

This foundation was established by the shareholders of Maxpeed Inc. Maxpeed shareholders have recognized that companies are the air of society and agreed to return some of their profits to society.

In addition, each shareholder believes that the operation of a company should be based on sincerity and prudence, and that the way to nurture talent is the way to foster the company and give back to society. In order to continue the will of each of these shareholders, the scholarship foundation was established in December 2005 by contributing part of the stake in Maxpeed Co., Ltd.
